**San Francisco Chronicle**

[CHRONICLE SECTIONS](#)

HIGH NOON: San Anselmo's superb "Film Night in the Park" series continues with Fred Zinnemann's 1952 classic, with Gary Cooper in the premier showcase of his later years, as a sheriff who has to face down bad guys all by himself -- at high noon. It's rightly famous as a classic of film editing. At 8:30 p.m. Saturday at Creek Park in San Anselmo.
